APPLIED NLP MASTER PRACTITIONER

ACCREDITED BY ANLP (14 DAYS)

Existing NLP Practitioners will recognise the impact that NLP tools and patterns can make in all walks of life. The Applied NLP Master Practitioner programme is designed to deepen this knowledge and to develop greater elegance, fluency, and congruence in their application.

The programme introduces numerous new patterns and techniques and also gives the opportunity for participants to truly embody excellence. Successful Master Practitioner graduates will be able to feel confident working in any setting and with any client; supporting therapeutic applications to their practice and leading with integrity.

THE COURSE IS DIVIDED INTO TWO MODULES

- ♥ **Diploma of Applied NLP: Therapeutic Coaching**
- ♥ **NLP Mastery**

YOU'LL BE INTERESTED IN THIS COURSE

- If you have an existing NLP Practitioner certificate and would like to deepen your knowledge and skills
- If you want to feel you have everything you need in your coaching toolkit to deal with emotional clients or sessions of a therapeutic nature
- If you want to understand how the unconscious mind is at play in impacting behaviour in all contexts, and gain skills to help to reprogramme this
- If you want to develop the ability to model and codify successful human behaviour in any situation
- If you want to enhance your NLP knowledge with reference to some of the latest developments in positive psychology, neuroscience, coaching and leadership theory
- If you would like to be able to elegantly transform trauma's and significant emotional events

**'IT'S NOT A COURSE, MORE A WAY OF THINKING AND LIVING.
THE METHODOLOGIES I BELIEVE CAN MAKE A DIFFERENCE
AND WON'T BE FORGOTTEN – LIKE SO MANY COURSES. I HAVE
BECOME A BELIEVER! THANK YOU.'**

– Finance Director, Construction
